To gain access to be able to reserve and use this room you have to have completed one of the following:

- Taken the Color Correction class
- Attended a one of the Color Correction Workshops hosted by a PA for access
- Talked directly with a Color PA to be trained on the room

Facility Rules & Etiquette

Zero Tolerance Policies

- Food & drink are NOT ALLOWED in the color suite - please leave food & drinks on the provided table before entering the color suite
- All trash should be removed from the color suite once you have finished, the desk and X300 should all be put down, all devices and lights must be turned off and the door must be closed.
 - **Make sure to turn off the projector before leaving.**
- Do not touch any displays or monitors with your hands or try to clean them yourself (this includes the Dell monitors, the X300 HDR display, and the Stewart SnoMatte 100 Film Screen)
- Do not store personal or project data directly on the PC. Stored data may be deleted as needed.

Question

We welcome your feedback to improve the space and if there are any questions understanding the suite or with the facilities, please submit tech needs, help requests from the Color PA, suggestions, comments, concerns, etc to the MAGIC PAs and MAGIC tech through placing a [helpdesk ticket](#).

How to Request Access

You must reserve the color suite in order to utilize it for color grading sessions. Please give yourself ample time in advance of your grading session to make a reservation. All reservations must be approved.

Visit reserve.rit.edu to reserve the Color Correction Suite (MSS-2160)

- Log in with your RIT account
- Navigate to "Create a Reservation"
- Select "Book Now" next to "Request MAGIC Specialty Space"
- Select the date, time and room for your reservation and submit

Warning

Making a reservation DOES NOT verify your access to the space. Your reservation must be **APPROVED** by the MAGIC facilities manager. Once approved, you will gain swipe access to the space during your scheduled time.
